**An Introduction to Aircomm**

- Established in 2002.
- Specialise in air conditioning, ventilation, ductwork and acoustic solutions.
- Our company ethos revolves around customer service. We believe that meeting agreed completion dates and budgets is key to customer satisfaction and retention.
- Major clients include the Berkeley Group, Octagon Developments, Briggs & Forrester, South West Trains, Briar Mechanical and Link 365.
- We have our own in-house **Maintenance Division** offering bespoke packages in order to protect manufacturers' warranties and a reactive call out facility via our Maintenance Help Desk.
